Petitioners

Motion for Order re:
GRAND JURY TRIAL

No. 1. General Motors Corporation in Complicity
No. 2. Universal Underwrites Insurance Company
No. 3. Law Firm of Weil, Gotshal and Manges

Respondents

2. The GMC judge of the Federal Court and the case being tried in Washington DC or New York, New York are acting against the United States Constitutional Laws. The Judge of King County Court & Petitioners are presently involved with, may enjoy and spread their wings for a cure. I will help all I can.

The Defendants (Cornforth Campbell) long Term Insured, Seriously, may be entirely by the Insurance Company of: Universal Underwriters Insurance Company Post Office Box 542010, Omaha Nebraska 68154-8010 Insured inclusively commencing 2003 through 2011. to contact Rancho Cordova Claims Office: Telephone Number= 916-859-2470 : FAX No. 402-963-5011: Or: zdm.Claims@zurichna.com : As preference and follow up on their Admissions of Conduct during tenure of Cornforth Campbell Insurance should assist General Motors Corporation in Payment of Debts incurred through Cornforth Campbell Criminal performances and General Motors Inc. has shared total debt responsibility from the Partnership.

3. I, The Plaintiff-Petitioner plan to collect and is occasionally, surprisingly blinding out, which at times cripples my productivity of which I will have to hang up for at least an hour.

4. The several Doctors that have conditional control of my anatomy have prescribed potent drugs beneficial to various parts of my anatomy and they do bother memory, perturbing me; and relaxing of some short time challenges.

5. I will be capable of facing a 12 person Jury and look forward to working with the Judges to augment a very essentially necessary new look at the potent Dangerous Automobile Industry That has about 75 to 90 percent control over Automobile Owners and closer to One Hundred Percent of Injuries and Deaths caused by Auto Factories and Dealers Deadly Short-Cuts. This Corruption results, Points to possibility's to you and me Every Day: Period.

6. The proper effects of our Trial formerly dated for, has already changed some by oversight and demand at the Assembly Lines at General Motors by Then: "Chief Rick Waggoner" upon receipt of Petitioners First Brief; Rick ordered the Assembly Lines to Increase GMC Frame And Steering Size and Strength, plus more welding and Heavier Steering and Frames connections.

7. Mr. Waggoner was the first Executive Fired off GMC Calendar. One Wonders Why. The Pick-ups and Trucks are much stronger; and so are the Passenger Cars. I would like an answer and may get one from a new owner of a Renton GMC Dealership. He may get fired from GMC, but I doubt it. He may investigate the facts and if they are strengthened, They will certainly make a grand advertiser.

8. Plaintiffs often have received condolences because of excitedly increasing the strengthening of General Motors Vehicles Frames and Steering assemblies because of Clinton M. Tullis Complaints of safety needed for vehicles to be on busy roads.

9. I Plan on sending GMC a copy of this Brief, exploiting this trustworthy factor and hope.

9. General Motors: Should send the Universal Underwriters Insurance Company if Possible; a demand for copies of Cornforth Campbell Insurance Policy's agreements with Cornforth Campbell of Puyallup, Washington.

9a. Though: Original owners of Cornforth Campbell Automobile Agency with Partnership of General Motors Mr. Good Wrench , may be in Jail.

10. The only Cornforth Campbell business that seemingly prevails is a Large Flashy, Wreck Repair Building located on East second Street in Puyallup, Washington..

11. There is a Large New Service Station appearing like a Truck Stop at the original Location of their former, Large GMC Automobile Agency.

12. I will soon utilize time to Go to City of Tacoma, To their new County Records Departments and obtain the ownership and other data such as a sale or just a change. Cornforth-Campbell has no outside references that I could detect in passing by.

13. The Pierce County Telephone Book is like looking at a Dead Horse.

14. The city of Tacoma is rapidly changing and looks like it is cleaning up as well as expanding.

15. The Pierce County Records Building has considerably expanded and is readily available. It used to look like Cowboys were wearing Boots and any need of properties had to first clear the mud and then you might find someone that would drag out a series of maps to research for location, planned usage and difficulties endured for construction permits. The changes in the area was absolutely astonishing.

Case Number 10-2-25699-7

The case supposedly being resolved in the New York,New York court is against the United States Constitutional Laws as the case is to be resolved solely within the State and County Court House From the area where the Plaintiff-Petitioners reside.

2 learned their functioning as Attorneys in fact without further studies to see that they are not
3 provided with all they should know as Professionals; of Federal functioning and resolution of a
4 case created by situations prevailing in three counties in the State of Washington of which allows
5 Plaintiffs-Petitioners, (Professionals), The absolute right of Clinton to make a choice of King

Campbell could not take bankruptcy or find other means to hide their values. The submission demanded by Weil, Gotshal and Manges etc. were wrong in violating Plaintiffs case and further violation of rules of Washington State and the County of King being Plaintiffs choice for completion of our Case.

No. 2. The law firm of Weil, Gotshal and Manges, etc. are again violating Washington State Laws, King County Laws and United States Constitutional Law. Their firm is not a resident of the State of Washington or of King County, etc. and they have no right whatsoever to create a case or resolution with Plaintiffs on a Washington State Case of Law.

No.3. You are also pressing the United States Judge : Honorable Robert E. Gerber to violate Constitutional Law and Washington State Law for which you are wasting precious time for every one concerned and for which We shall show no mercy to your fiction.

Plaintiffs demand Eighty two Million Dollars for the hell we have been through in the past from June, 2003 to health remaining damaged in 2012 and we can add ten more years if necessary, to collect ten million from you and your cronies.

General Motors is now producing much better and safer vehicles because of my discovery and injury's from their former Suburban. Many of their officials and sales persons have thanked me for informing them of what was needed to make their vehicles safe on the roads. They will generate a lot of business from the changes immediately activated after my notice.

A Washington State Judge will soon close the case in my favor. Weil, Gotshal and Manges etc. and a Judge from out of State cannot rule without violating the laws of the US Constitution of which you must not have ever read.
